2005

Founder of MK Parrish and senior B2B growth marketing operator with 20+ years driving revenue across SaaS, technology, and growth-stage organizations. I turn how companies are seen into revenue they can prove – building conversion websites, running the outbound that books calls, and writing the messaging that lands, with \$40M+ in influenced pipeline and cold-reply rates as high as 32%. Full-funnel expertise across ABM, demand generation, paid media, and brand storytelling. Available as a fractional marketing leader or hands-on consultant – one senior operator, no layers.

PROFESSIONAL EXPERIENCE

FOUNDER & MARKETING CONSULTANT

MKPARRISH.COM | NEW YORK, NY | 2026 - PRESENT

Independent marketing consultancy offering fractional CMO leadership, AI-powered campaign strategy, and demand generation for B2B technology and SaaS organizations.

- Design and execute ABM and demand generation programs for clients, aligning multi-channel campaign strategy to pipeline goals, audience segmentation, and sales-stage targeting.
- Lead brand positioning and messaging engagements, building narrative frameworks, competitive differentiation, and go-to-market voice for B2B clients.
- Manage paid media programs across LinkedIn, programmatic, and retargeting channels, optimizing spend against account-level engagement and pipeline progression metrics.

MARKETING MANAGER

ATLANTIC ULTRAVIOLET CORPORATION | HAUPPAUGE, LI | 2024 - 2026

Architect and lead national growth strategy for a legacy UV-C manufacturer, integrating B2B and B2C account-based marketing with performance media to scale distributor and contractor revenue.

- Designed and executed ROI-driven Account-Based Marketing programs targeting high-value partner segments, aligning campaign execution with regional sales objectives and active pipeline opportunities.
- Partnered directly with sales leadership in recurring pipeline reviews to refine targeting, align messaging to deal stage, and support revenue acceleration.
- Owned paid media strategy within ABM frameworks, optimizing spend based on engagement metrics, account penetration, and marketing-influenced revenue.
- Developed sales enablement tools and training resources to improve field productivity and partner effectiveness.

SENIOR CHANNEL MARKETING MANAGER

VONAGE (ACQUIRED BY ERICSSON) | REMOTE | 2019 - 2023

Oversaw campaign execution, enablement programs, and regional go-to-market alignment across a high-performing partner ecosystem.

- Launched *Dollars for Demos*, accelerating partner demo velocity, shortening sales cycles 30% and increasing enterprise win rates 15% in targeted segments.
- Built and led sales and partner pipeline acceleration programs, running recurring deal stage reviews with leadership to unblock stalled opportunities and improve forecast accuracy and stage conversion.
- Spearheaded a strategic Salesforce go to market partnership, launching a bundled demo environment that simplified proof of value and accelerated enterprise adoption.
- Positioned the Salesforce bundle as a high value upsell motion, accelerating pipeline 25% and increasing average contract value 20%.
- Scaled EMEA partner marketing programs from launch to more than \$200M in influenced revenue, launching localized reseller campaigns and multilingual partner enablement that increased engagement 45% and strengthened pipeline velocity across European markets.

PROFESSIONAL EXPERIENCE (CONTINUED)

SENIOR PARTNER ACCOUNT MANAGER DEFY MEDIA | NEW YORK, NY | 2012-2018

Managed and scaled digital media partnerships across content creators, directed brand strategy and marketing partnerships, and spearheaded digital expansion during DEFY Media's peak as the leading youth-focused entertainment network.

- Supported complex, multi-stakeholder enterprise sales cycles through targeted marketing programs and customized pitch materials for Fortune 500 brand partners.
- Developed segmented outreach strategies aligned to priority advertiser verticals, supporting multi-million-dollar deal closures.
- Scaled and marketed DEFY's publisher network to 150+ partners, expanding reach to over 80M monthly viewers and 600M+ views, boosting channel syndication strategy.
- Led monetization and marketing strategy for *Smosh* (then the #1 YouTube channel), *ClewerTV*, and other flagship brands, driving record-breaking views and engagement.
- Launched multimillion-dollar branded content deals with Sony, Warner Bros., and Google, aligning campaign creatives with cross-platform growth goals.
- Designed and executed ABM-driven demand programs in collaboration with sales and revenue teams to support strategic account growth.
- Developed tailored messaging and enablement assets aligned to priority accounts and vertical segments.
- Managed paid digital campaigns within ABM frameworks, optimizing performance based on account-level engagement and deal progression.
- Scaled and marketed DEFY's publisher network to 150+ partners, expanding reach to over 80M monthly viewers and 600M+ views, boosting channel syndication strategy.
- Conducted recurring campaign reviews with sales teams to share leads, gather feedback, and refine targeting strategies.
- Developed KPI-driven reporting dashboards measuring pipeline growth, account engagement, and marketing-attributed revenue impact.

MARKETING MANAGER MERCER CONSULTING | NEW YORK, NY | 2010-2012

Spearheaded and scaled Mercer's global executive network platform, designing and leading 50+ distinct executive communities spanning Fortune 50 and multinational organizations across Diversity & Inclusion, Global Talent Management, Total Rewards, HR Transformation, and Workforce Strategy.

- Conceived, built, and led Mercer's multi-network executive engagement model, transforming a single CHRO forum into a global portfolio of 50+ specialized executive networks aligned to evolving enterprise HR priorities.
- Directed domestic and international executive meetings, advisory summits, and working sessions across North America and abroad, supporting senior leaders from Fortune 50 and global enterprises.
- Owned end-to-end strategy for network development, including member recruitment, agenda design, thought-leadership programming, speaker curation, and executive experience.
- Partnered with Mercer consulting and sales leadership to align network programming to priority solution areas, supporting pipeline development and long-term client retention.
- Developed executive-level messaging, briefing materials, and value propositions tailored to complex, multi-stakeholder enterprise buying environments.
- Designed and implemented a CRM-driven engagement and tracking system to manage executive participation, prioritize high-value accounts, and measure network impact on revenue.
- Negotiated global vendor and venue contracts and managed premium event execution, reducing operating costs by 50% while elevating brand perception and executive experience.

CHANNEL MARKETING MANAGER TAKE-TWO INTERACTIVE | NEW YORK, NY | 2008-2010

Led multi-million-dollar channel marketing initiatives across national retail partners, aligning campaign strategy, field activation, and revenue forecasting with sales targets to drive \$20M+ in product revenue.

- Built ROI-based sales forecasting models and promotional plans to support complex retail distribution strategies and maximize launch performance.
- Executed omnichannel launch campaigns across in-store, digital, trade marketing, and event channels to drive presales, brand awareness, and field engagement.
- Partnered directly with sales leadership, brand VPs, and third-party vendors to ensure on-time, on-budget execution aligned to revenue goals.
- Coordinated trade shows, corporate events, and retail marketing activations, supporting national sales teams with campaign materials and enablement assets.
- Managed purchase orders, insertion orders, and vendor negotiations to optimize budget allocation and improve marketing efficiency.
