
*You don't have to
burn it all down.
You just have to
pick up the pen.*

The Rewrite Starter Pack is the on-ramp — a compact set of guided exercises drawn from the same practice used to help 200+ founders, executives, and creators rewrite the narratives they inherited into ones they'd actually sign. Start small. Start honest. Start here.

MK Parrish is a brand voice strategist, ghostwriter, and author of *The Margins* on Substack. She writes about voice, identity, and the economics of language at mkparrish.com.
