TURN HOW YOU'RE SEEN INTO REVENUE.

*Senior growth operator & writer — one pair of hands,
no agency layers.*

I help companies close the gap between what they have become and how they show up — clearer positioning, conversion websites, launch narrative, and demand systems built by one senior operator from first sentence to qualified call.

01 — PROFILE

I STARTED AS A WRITER. THEN I LEARNED TO MOVE REVENUE.

Most people who can write can't build. Most who can build can't write. I do both.

I spent two decades inside marketing and growth — Fortune 50 companies, funded startups, and everything between. I have influenced over **\$40M in pipeline**, run demand across B2B and consumer, and built the systems that put qualified buyers in front of sales teams. Not activity reports. Revenue.

The rare combination is the point: I write — really write, every sentence — and I can build the funnel underneath it. So the positioning, the copy, the site, and the pipeline all say the same thing and pull the same direction. That is exactly where most companies leak: the words say one thing, the machine does another. I close that gap.

GO-TO-MARKET

Launch strategy, segmentation, and demand systems tied to qualified pipeline — first sentence to booked call.

LAUNCHES · SEGMENTATION · DEMAND

POSITIONING

Category narrative, value propositions, and competitive differentiation that make value obvious to the right buyer.

NARRATIVE · VALUE PROPS · MESSAGING

PRODUCT MARKETING

Sales enablement, launch playbooks, and lifecycle messaging informed by the buyer and the win/loss.

ENABLEMENT · PLAYBOOKS · LIFECYCLE

WRITING

Web, long-form, launch, and executive ghostwriting — every line by hand, in the brand's voice.

WEB · LAUNCH · GHOSTWRITING

WHAT I'VE SHIPPED.

A senior operator's range — strategy and execution, owned end to end. Representative engagements and the outcomes they drove.

OUTBOUND THAT BOOKS REVENUE
Built and ran cold outbound end to end — list building, cold email and LinkedIn copy, sends, and every reply handled — so sales talked to buyers, not tire-kickers.

POSITIONING & MESSAGING OVERHAULS
Repositioned companies whose results had outpaced their copy — homepage, positioning statement, and brand voice anchored in strategy, not decoration.

FULL-FUNNEL GROWTH, ONE MOTION
Demand through activation run together — outbound, paid, organic, SEO, and lifecycle wired into one system with the experimentation loop that says what to scale and what to kill.

ACROSS THE FUNNEL

PROOF THAT I ACTUALLY WRITE.

A product marketer's edge is the sentence. Here is the body of work behind the claim.

Beyond client engagements, I have authored and published a library of books, frameworks, and a running essay practice — the kind of volume and range that only comes from writing every day.

THOUGHT LEADERSHIP

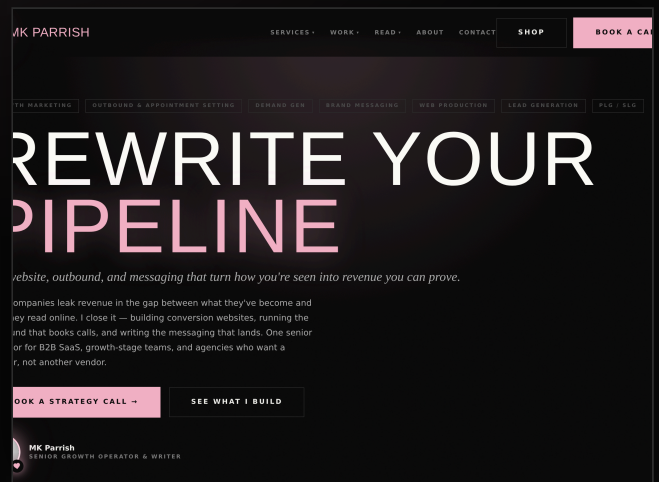

The throughline: I package expertise into products with clear positioning, a sharp promise, and copy that converts — the exact instinct great product marketing runs on.

05 — LET'S TALK

IF HOW YOU'RE SEEN DOESN'T MATCH WHAT YOU'VE BECOME — THAT'S THE WORK.

I bring strategy and execution in one pair of hands: a product marketer who can position the product, write the narrative, build the page, and book the call. If that is the gap on your team, I would love to talk.
