BUILDER PASS · LIBI OFFER

Every LIBI member who scans our QR code gets a personal Builder Pass with a **VIP Test Drive Certificate**. They redeem it in the showroom, by appointment, through December 31, 2026. Each one who shares their code and brings in a colleague is upgraded to **Gold**.

WHAT CHANGED

- **No weekend loaner.** No vehicle leaves the lot overnight.
- **No drawing.** It is a certificate everyone gets, so there are no sweepstakes rules to manage.
- **Showroom redemption.** Every certificate is a booked appointment with a salesperson.

WHAT THE STORE GETS

- Their current vehicle is on our lot, so we appraise the trade while they drive.
- Builders run trucks and vans: each pass opens a fleet conversation.
- Name, mobile, company, timeline and trade status on every lead, tagged by pass code.
