

MK PARRISH

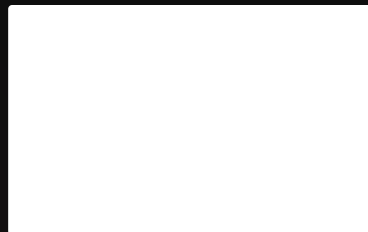

THE SOCIAL STRATEGY PLAYBOOK

Format: Digital template pack (Google Docs + PDF) Price: \$38

Audience: Founders and thought leaders who know they need to show up online — and want a repeatable system instead of relying on inspiration.

Most people don't have a content problem. They have a system problem. They post when they feel like it, the posts don't sound like them, and the whole thing collapses the first busy week. Consistency feels like willpower, so it never lasts.
